

### GREAT SOUND IN ANY WEATHER

The satin painted finish and compact design of the K10-650 allows it to blend seamlessly into even the most luxurious of outdoor living space, while the 6.5" long-throw Cerametallic woofer and Tractrix® horn-loaded 1" aluminum tweeter provide detailed, dynamic, balanced sound.

### ALL-WEATHER DURABILITY

A powder coated aluminum grille mated to a UV-resistant, ABS cabinet provides the utmost in all-weather capability. The K10-650 is designed and built to offer great outdoor audio year in and year out without rusting, fading, or corroding.

### EASY, SECURE INSTALLATION

The K10-650 features an ultra-durable powder coated steel C-bracket for simple, easy, and reliable installation in any outdoor environment.

### TRACTRIX HORN TECHNOLOGY

For decades, our proprietary Tractrix horn design has brought high efficiency, low distortion, and superb dynamics to every Klipsch product. The 90° x 90° Tractrix® Horn geometry utilized in the K10-65 provides exceptional efficiency and detail, while focusing the sound on your listening space.

### EXCLUSIVE CERAMETALLIC WOOFER

Klipsch Cerametallic™ woofers are engineered and constructed to be extremely light while being exceptionally rigid, for louder, cleaner sound. Cerametallic™ woofers are the same material that are used in our award winning home theater speakers - so you know you'll get patio rocking bass all year round.
