

# CORNWALL III

SPECIAL EDITION

**Klipsch**  
**HERITAGE**  
SPECIAL EDITION

## FINISH OPTIONS

East Indian Rosewood  
Silver Luster grille cloth

Matte Black  
Silver Luster grille cloth

Note: East Indian Rosewood, like most exotic hardwoods, will vary dramatically in color, grain pattern, texture, and other naturally occurring characteristics. This is due to the seasonal or geographical differences which affect the growth patterns where the trees are harvested.

## SPECIFICATIONS

<b>FREQUENCY RESPONSE</b> (+/- 4 dB)	34Hz - 20kHz
<b>SENSITIVITY</b> <sup>1</sup>	102dB @ 2.83V / 1m
<b>POWER HANDLING</b> (CONT/PEAK)	100W/400W
<b>MAXIMUM SPL</b>	119dB Continuous
<b>NOMINAL IMPEDANCE</b>	8 ohms Compatible
<b>CROSSOVER FREQUENCY</b>	HF: 5000Hz MF: 800Hz
<b>HIGH FREQUENCY DRIVER</b>	K-107-T1 1" (2.54cm) Titanium diaphragm compression driver
<b>MIDRANGE</b>	K-53-T1 1.75" (4.45cm) Titanium diaphragm compression driver
<b>LOW FREQUENCY DRIVER</b>	K-33-E 15" (38.1cm) Fiber-composite cone woofer
<b>ENCLOSURE MATERIAL</b>	MDF

<b>WIDTH</b>	25.3" (64.3cm)
<b>DEPTH</b>	15.5" (39.4cm)
<b>WEIGHT</b>	98lbs (44.5kg)

<sup>1</sup> Sensitivity in average listening room

## EAST INDIAN ROSEWOOD / MATTE BLACK

Klipsch is happy to announce a special edition production run of the Cornwall III in East Indian Rosewood and Matte Black finishes. East Indian Rosewood hardwood is genuine Rosewood and is regarded as one of the world's most beautiful hardwoods. The wood species is native to the southern Indian peninsula. Rosewood is named for the fragrance of roses the wood produces when first cut. The Matte Black finish will fit almost any decór and its Silver Luster grille cloth will create a beautiful contrast while giving this model a very elegant style.

## DESIGNED AND MADE IN THE USA USING DOMESTIC AND IMPORTED COMPONENTS

Like all Klipsch Heritage speakers, the Cornwall III is a lifetime investment. Built to the strictest Klipsch standards, these speakers offer years of gratifying performance. Remember great sound? We do, too. The Klipsch Cornwall III loudspeaker enclosure is still made in the USA, by proud craftsmen in Hope, Arkansas. Just like Paul W. Klipsch (PWK) intended.

## FEATURES

### SPECIAL EDITION

This production run is limited to 70 pairs of each finish. Each loudspeaker will feature a small edition plaque that is hand-signed by the craftsman.

### THREE-WAY LOUDSPEAKER

First introduced in 1959, the Cornwall III is a three-way design using horn-loaded compression drivers for the midrange and tweeter and a direct-radiating 15-inch woofer for the low frequencies. The Cornwall III is an excellent combination of wide frequency response, low distortion, and high power output. Within the Heritage series, only the legendary Klipschorn® offers more extended bass response.

### VINTAGE NAMEPLATE AND GRILLE

Each pair of Cornwalls features "script" style nameplates mounted to silver luster grille cloth.

### NEW RISER

A matte black riser base compliments both finishes.

### BOOK-MATCHED WOOD VENEER

Klipsch only uses book-matched wood veneers for the Heritage series. The veneer leaves are kept in order as they are delicately sliced from the timber and precisely arranged to provide a mirror image at the splice joint – like turning the pages of a book. This gives each speaker a more aesthetically appealing and consistent appearance that is treasured more than any other cut of wood veneer.

### MATCHED PAIRS

Each pair of Heritage Series loudspeakers is grain-matched using wood veneer panels that come from the same timber. Each cabinet is carefully matched so that each speaker in the pair is practically indistinguishable from the other. The speakers move seamlessly together through the factory. Each finished product is inspected and labeled with sequential serial numbers, ensuring that the Heritage series speakers leave the factory as a meticulously crafted set.
